

# THANK YOURSELF

## FOR YOUR AWAKENING JOURNEY

Transforming yourself into a sacred work of art: even if at the moment you are the only one who can see your beauty or the night sky whispers to you that, like stars, it can see your radiance.

# THANK YOURSELF

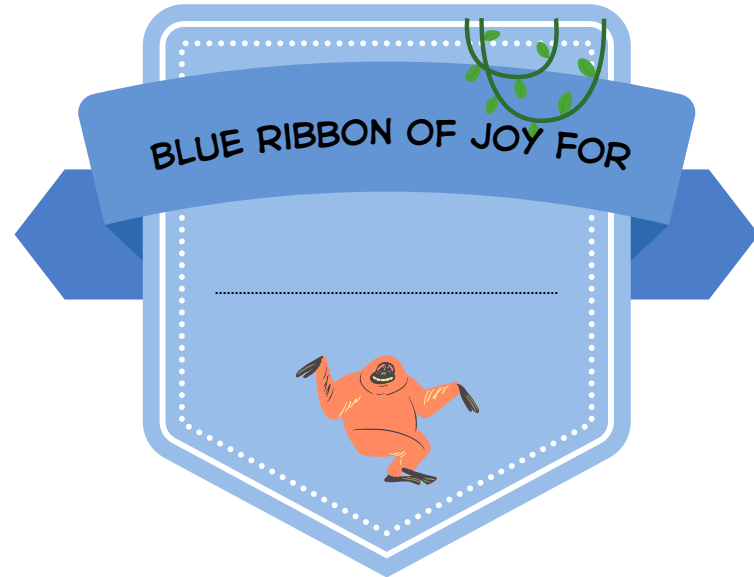

## FOR YOUR AWAKENING JOURNEY

Becoming more love and acceptance than you thought was possible. Each day it grows and each day it can meet more of what you once called ‘unacceptable ugliness’, with such a light kiss, warm embrace and astonishing easefulness.

# THANK YOURSELF

## FOR YOUR AWAKENING JOURNEY

For becoming less afraid - of so many things, maybe everything. For becoming less afraid of who you really are and how quirky you are, and that quirkiness is exactly right even if others, or an earlier self, would say it is “weird”.

# THANK YOURSELF

## FOR YOUR AWAKENING JOURNEY

For staying in the down times while trusting that ‘up’ would reveal itself and would be more vast and generous, more filled and abundant than anything you imagined till now.

A Ribbon of Joy for the “Ups!”
